### Emergency Information

## KNOW YOUR HEART NT-proBNP TRACKING CARD

[Your logo here.]

**What is NT-proBNP?** NT-proBNP is found in your blood when your heart is stressed. An NT-proBNP level may assist healthcare providers to diagnose and treat heart failure.

### Your NT-proBNP

| Date | Level | Date | Level |
|------|-------|------|-------|
|      |       |      |       |
|      |       |      |       |
|      |       |      |       |
|      |       |      |       |
|      |       |      |       |
|      |       |      |       |
